FLOWER 2

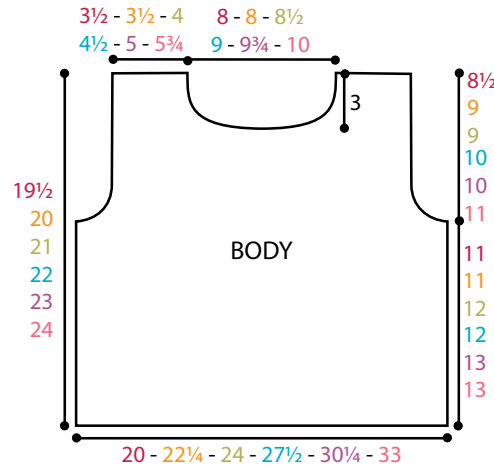

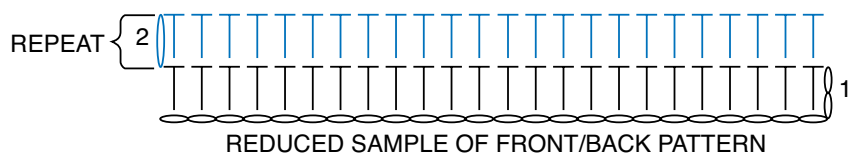

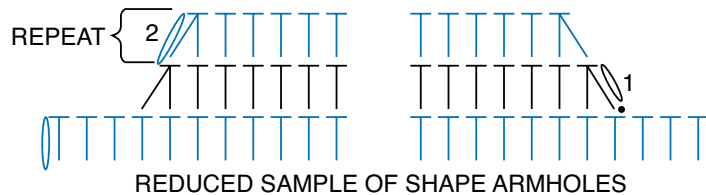

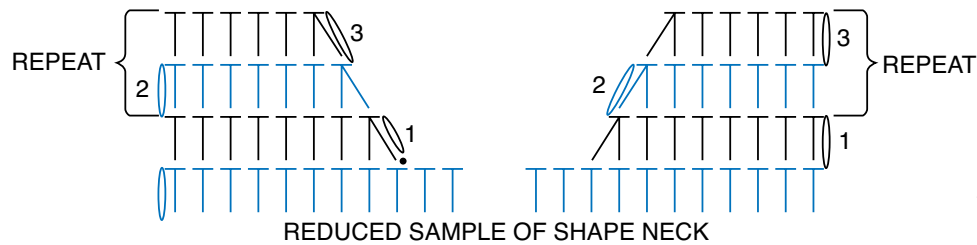

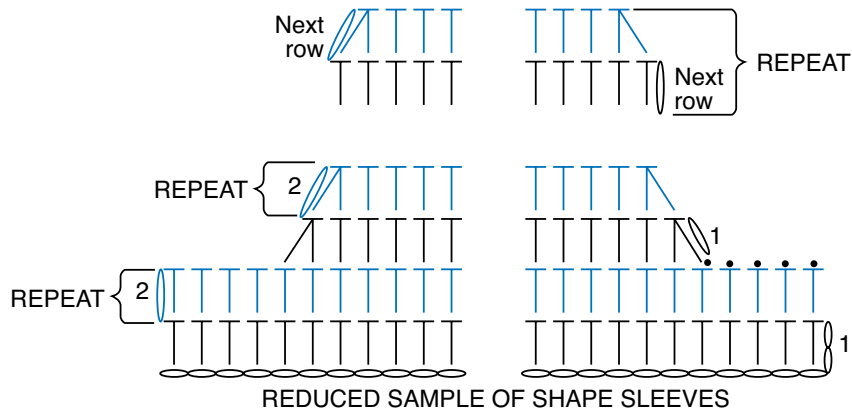

PLACE MOTIFS

- Lay Top on a flat surface, with a piece of cardboard or a thin book inserted to keep Front and Back separated while pinning and sewing Motifs into place.
- Arrange Motifs as desired onto Top. Once you are happy with their placement, use straight pins to keep them in place.

- You may use lengths of **Caron® Colorama Bamboo Blend™** in the same shade as the Motif to sew them onto the top, but to reduce weight and bulk, it is recommended to use **Coats & Clark® Dual Duty XP all-purpose thread**. The shade **does not** have to match exactly, as most of the stitches will be well hidden, but it is good to match thread color to the Motifs if and as best you can.
- Using a running stitch, attach Motifs by sewing directly beneath the top loops of the last rnd and securing on the WS of the Top.
- Be sure not to pull too tightly, checking often to make sure the fabric of the Top lays flat and that you are only sewing through the Front layer.
