Size U.S. 1/9 [5.5 mm] Susan Bates® Silvalume® crochet hook **or size needed to obtain gauge.** Susan Bates® yarn needle. 4 buttons approx 1" [2.5 cm] diameter. Sewing machine or needle and thread to seam fabric sections.

Note: This sample was constructed using thrifted materials. The outer layer and straps are made of polyester organza drapes, and the lining is a cotton tablecloth with an eyelet border. All existing hems were preserved for ease of construction. If using an opaque outer layer, a lining fabric may not be required. Material requirements will depend on the fabric being used and the desired fullness of the Skirt. The suggested fullness, based on the sample, is 3 times the finished chest measurement. Cutting layouts will depend on your individual materials.

INSTRUCTIONS

FLOWER SQUARES

With MC, make **4 (4-6-6-8-8)** Squares.

See Diagram on page 6.

Notes:

- Motifs begin with Color 1 (shortest color rep) from center of pull-skein, leaving a 4" [10 cm] tail to weave in.
- 2nd and 3rd rnds will be worked in Color 2.

- 4th, 5th, and 6th rnds will be worked in Color 3.
- If too much color is left at end of rnd, pull back some sts and slightly loosen gauge to re-work sts and finish at color change. If too little color is left, pull back some sts and slightly tighten gauge to re-work sts and finish at color change.
- At end of final rnd, Motif should measure 6" [15 cm] square, with long tail (at least 24" [61 cm]) rem for seaming.
- Adjust gauge as needed working 4th, 5th and 5th rounds of Flower Motif to maintain 6" [15 cm] square finished size to match Granny Square Motif.
- Ch 3 at beg of rnd counts as dc.
- Ch 2 at beg of rnd **does not** count as st.
- Join all rnds with sl st to first st unless otherwise stated.

Make Straps

Cut 2 strips of fabric approx 3" [7.5 cm] wide x 60" [152.5 cm] long. Taper ends slightly as shown in diagram, and overcast edges by hand or with a serger or sewing machine.

Fold Strap in half and loop around ch-4 sp in Upper Bodice Edging.

DRESS STRAP 1

DRESS STRAP 2

SKIRT

Note: The construction of your Dress will depend on the materials being used. You may want less fullness if your fabric is heavier, or more depending on your personal style.

Cut Front and Back panels for Skirt. Sew side seams, leaving at least 2" [5 cm] open at top of right side seam.

Gather skirt until it matches Chest measurement to fit pieces of Bodice.

If gathering with a sewing machine, decrease tension on your machine, and set machine to a long straight stitch. Pull a 6" [15 cm] tail of thread from both the needle and the bobbin. **Do not** backstitch at start of row. Stitch a line approx ¼" [0.5 cm] down from top of Skirt, breaking your sewing wherever you encounter a seam, ensuring that you leave long tails at both the start and stop of each new line of stitching.

In same fashion, work an additional line $\frac{1}{4}$ " [0.5 cm] below your initial row of stitching. You will now have 2 rows of gathering stitches.

You will need to manipulate the ruffles to ensure gathers are distributed evenly. Once gathers are distributed evenly, pin to crochet sts worked in Skirt Joining Row with RS facing (seam allowance will fall along interior of dress.) Sew tog using a straight stitch, using a $\frac{5}{8}$ " [1.6 cm] seam allowance. Ensure that Button and Buttonhole Bands are not captured in seam.

Once all lines of stitching are complete, take the bobbin threads in one hand and pull gently to gather fabric.

Sew Buttons to correspond with Buttonholes at side of dress.

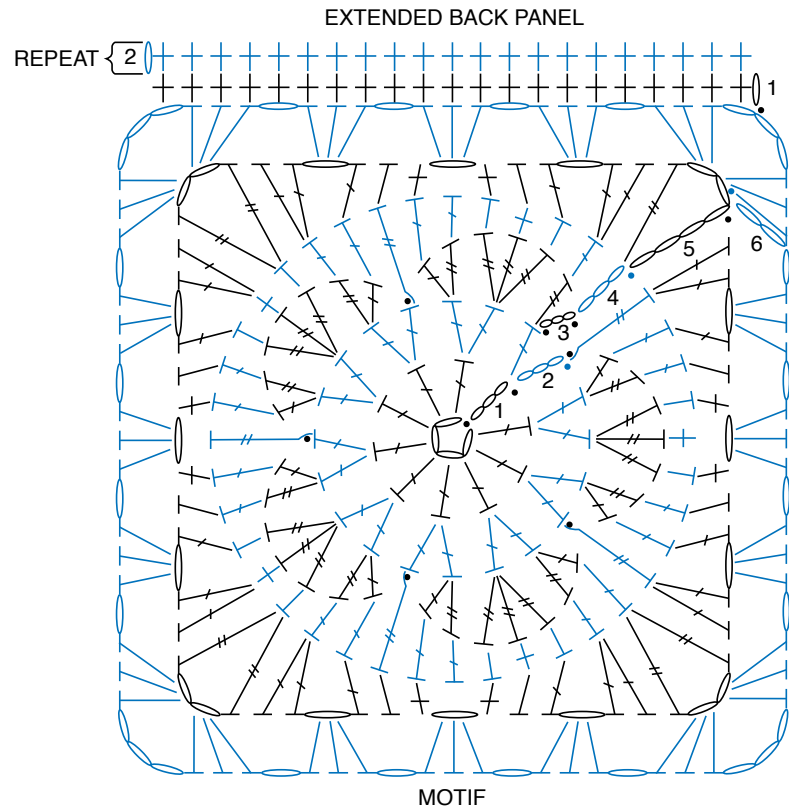

51 - 57 - 63 - 69 - 81 - 93

SKIRT FRONT/BACK

Finished measurements represent a skirt that is three times the fullness of the bodice measure. You may need to seam multiple panels together to achieve this width.
