INSTRUCTIONS
Notes:
- Sweater is worked from collar down to end of yoke, then divided into Front, Back and Sleeves. Front and Back are joined and worked in rnds down to edging.
- Sweater can be customized with body and sleeve length to your desired amount by crocheting more or less rnds after dividing rnd for Front, Back and Sleeves.
- Note that yarn amounts needed will vary.
- Ch 2 at beg of rnds **does not** count as st.

The instructions are written for smallest size. If changes are necessary for larger size(s) the instructions will be written thus ( ). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

YOKE UPPER HALF
Note: Turn work at end of each rnd. All rnds are worked from RS and WS alternatively.
See Diagram on page 11.
